

The Viral Storm: The Dawn of a New Pandemic Age

By Nathan D. Wolfe

Penguin Books Ltd, United Kingdom, 2012. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. In The Viral Storm award-winning biologist Nathan Wolfe - known as the Indiana Jones of virus hunters for his work in jungles and rain forests across the world - shows the threat of a global pandemic is greater than we have ever imagined. The Viral Storm examines how viruses like HIV, swine flu, and bird flu have almost wiped us out in the past - and may do so in the future. It explores why modern life makes us so vulnerable to global pandemics, and what new technologies can do to prevent them. Wolfe s provocative vision may leave you feeling distinctly uncomfortable - but it will reveal exactly what it is we are up against. Nathan Wolfe is the Lorry I. Lokey Visiting Professor in Human Biology at Stanford University and Director of Global Viral Forecasting, a pandemic early warning system which monitors the spillover of novel infectious agents from animals into humans. Wolfe has been published in or profiled by Nature , Science , The New York Times , The New Yorker , The Economist , Forbes and...
