Business people, managers and executives must strike the word ' impossible ' from their vocabularies , to achieve success. The impossible is really nothing more than a problem waiting to be solved. Those who have read this book do not have to wait for inspiration to provide them with that solution. They understand that technique - properly applied - allows them to create their own solutions on demand. This book shows you how Davide does it. David Ben is a graduate of the London School of Economics, former tax lawyer , and keynote speaker on creativity and problem solving in Fortune 500 firms. He is also a producer, and a magician - protoge of Ross Bertram , one f the greatest sleight of hand magicians of the 20th century. He demonstrates clearly in this book how productivity and personal growth can be enhanced to the point where an average person becomes a player with an effective advantage over the competition. In lively prose full of financial advice he teaches people to think so they can strike the word 'impossible' , harness...
