By Barry Schwartz

Simon & Schuster Ltd. Hardback. Book Condition: new. BRAND NEW, Why We Work, Barry Schwartz, Part of the TED series: Why We Work Why do we work? The question seems so simple. Schwartz reveals exactly how the false idea that the goal for work should be pay came to be, how we came to believe that paying workers more leads to better work, and why this has made our society confused, unhappy and has established a dangerously misguided system. Ultimately, Schwartz proves that the root of what drives us to good work can rarely be incentivized, and that the cause of bad work is often an attempt to do just that. With great insight and wisdom, Schwartz illuminates the path for readers to take their first steps toward understanding, empowering us...
