Your students need clear, complete answers to their questions about grammar, research, and writing in the social sciences and they often need them at a moment's notice. As their teacher, you are their greatest resource, but you can't be available 24/7. For help with work in class and at home and especially for questions at odd hours, students can turn to A Pocket Style Manual, APA Version. The APA version of A Pocket Style Manual provides help for students writing in disciplines that use APA style: psychology, sociology, economics, criminal justice, nursing, education, business, and others. With a focus on APA conventions and practices, examples and models from across the disciplines, and guidelines for integrating and documenting a wide variety of sources, A Pocket Style Manual, APA Version, gives concise, straightforward, and trusted advice for any writing situation. Our newest set of online materials, LaunchPad Solo, provides all the key tools and course-specific content that you need to teach your class. LaunchPad Solo for A Pocket Style Manual includes exercises, sample student writing, and LearningCurve adaptive quizzing. To...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
