Reviews

This publication is wonderful. I have got study and so i am confident that i am going to likely to read once again once more down the road. Its been designed in an exceedingly straightforward way which is only soon after i finished reading this ebook by which actually altered me, change the way i think.

FLOWER FABLES

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 82 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Louisa May Alcotts first published book was actually a collection of fairy tales called Flower Fables. Alcott first told her fanciful tales to Ellen, the daughter of Ralph Waldo Emerson, and later wrote them down as a present. Feeling proud and excited, Alcotts father brought his daughters tales to a local publisher. Advance copies of Alcotts book came out in 1854, in time for her to give copies as Christmas gifts. In Evas Visit to Fairy Land, Eva is transported into a beautiful and magical land where fairies diligently work to mend the broken petals and leaves of flowers and wings and legs of insects, all of which have been damaged by cruel human hands. The fairy band also ventured into the mortal world, where they went among the poor and friendless, bringing pleasant dreams to the sick and old. . . . Should ever one of the creatures in fairy land fail to be perfect, others among them bring them back into purity and peace with loving words and gentle teachings. In the Frost King, Violet sets out to both love and fearlessly speak to the Frost King about his evil ways. He rejects her request and allows his frost spirits to bear her off to prison. Even when Violet turns her prison into a sunny and happy room, the Frost King scorns her kind offer of a golden mantle that will bring him peace and love. Day after day, Violet remains steadfast, unwilling to give up her cause of bringing warmth to the rest of the flowers back home. In the story of Thistledown, Lily Bell is good while Thistledown is bad. When Thistledown seeks shelter...
