Xulon Press. Paperback. Book Condition: New. Paperback. 76 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. When a young boy and a small dog discover each other, the adventure begins. Through what appears to be chance encounters, several peoples lives are changed forever as God moves through Trevors innocent, kind spirit. This heart-warming story can serve as a reminder of a perspective on life that can sometimes escape us amidst lifes hardships and complacency. Jesus asks us to come to Him as a little child. Sometimes as adults we get caught up in our day-to-day struggles, and forget to be still and know that God will provide for us, as He does for the sparrows. As a songwriter/recording artist for thirty plus years, I have learned to try to pay attention to Gods inspirations and act upon them. These last few years have been very trying, and Im so grateful that He gave me this story to bring me back to some simple truths that I had forgotten. Our Lord works in seriously mysterious ways! I realized that I was an awesome little kid. I just forgot! I let the cares of this world distract me from what the Lord wants to do for me and through me. I want the Trevor in me back again. My prayer is that this story will touch you in a way to reevaluate what is really important in this brief earthly life so as to live each and every day in the fullness that God desires for us. God bless you. Please pass this book on to someone you know that is hurting. David M.
