

The Tale of Gwyn

Filesize: 5.47 MB

Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

THE TALE OF GWYN

SIMON SCHUSTER, United States, 2015. Paperback. Book Condition: New. Reprint. 206 x 137 mm. Language: English . Brand New Book. In a fantastical kingdom ravaged by famine and poverty, the prospect of hope lies with a mythical masked hero in this, the first book in the Tales of the Kingdom series from Newbery Medalist Cynthia Voigt. In a distant time, a kingdom is starving. With winter upon them, there is little hope, except for the legend of Jackaroo: a masked outlaw who comes at night to aid the destitute and helpless. But Gwyn, the innkeeper's daughter, is too practical for false hopes. She believes Jackaroo is nothing more than a fairy tale told to keep children hopeful till the next sunrise. Then Gwyn is forced to seek refuge in an abandoned house, and while scavenging for supplies, she comes across a mask? A sword? A cloak? Could these belong to the fabled Jackaroo? As Gwyn searches for answers, she discovers that the heart of a hero goes far beyond a mask. Previously published as Jackaroo, this classic tale features a new look and a new title.
