## In a Mirror, Darkly

By Frederic P. Miller

Alphascript Publishing. Taschenbuch. Book Condition: Neu. Neuware - In a Mirror, Darkly is a two-part episode of Star Trek: Enterprise. 'In a Mirror, Darkly, Part I' was the 700th live-action Star Trek episode broadcast. With this episode, actress Majel Barrett, widow of Star Trek creator Gene Roddenberry, became the only actor to participate in every Star Trek series, including the Animated Series, as well as both the Original Series-based and Next Generation-based film series. In this episode, she provided the voice of the Defiant computer. The episode's title is derived from 1 Corinthians 13:12 (American Standard Version). The same verse (from the King James Bible, which reads, 'For now we see through a glass, darkly') is quoted by Captain Picard in Star Trek Nemesis. The episode is the only episode in the entire Star Trek franchise which takes place entirely within the mirror universe. 108 pp. Englisch.
