

Consciousness Writes

By Ramesh S. Balsekar

Zen Publications, Mumbai, 1996. Soft cover. Book Condition: New. 23 cms. 200pp. Can Spiritual Understanding be imparted through letters? It's a long-distance love affair. The Master is in Mumbai, most of his disciples thousands of miles away. The Teaching deals with Advaita, or non-duality. And as the Teaching gently seeps deeper, doubts and questions sprout; and often, the only way the disciple can seek guidance from the Master is through mail. The correspondence that flows is truly remarkable since it is both subjective and objective, unique and universal, personal and impersonal. To the disciple the correspondence may denote letters from one individual to another. For the Master, they are merely words emanating from Consciousness to Consciousness. Consciousness Writes offers you the fragrance of Advaitic teaching and a rare glimpse into the Master-disciple relationship-enveloped in the warmth of intimacy and the sparkle of Ramesh's wit.
