His mother is dead, he has no friends and he thinks he is being followed by a strange group of people who tell him they know him. But Will can't remember them .at first. And when he does, he doesn't like what he can remember. While Will is struggling with unsettling memories, he learns that his past is a lot deeper than many people's, and he has to find out if he is strong enough to break links with the powerful hold that history has on him.
