Reviews

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

The University of Chicago Press. Hardback. Book Condition: new. BRAND NEW, The Chicago Manual of Style: The Essential Guide for Writers, Editors and Publishers (16th edition), University of Chicago Press, While digital technologies have revolutionized the publishing world in the twenty-first century, one thing still remains true: "The Chicago Manual of Style" is the authoritative, trusted source that writers, editors, and publishers turn to for guidance. For the sixteenth edition, every aspect of coverage has been reconsidered to reflect how publishing professionals work today. Though processes may change, the "Manual" continues to offer the clear, well-considered style and usage advice it has for more than a century. The sixteenth edition offers expanded information on producing electronic publications, including Web-based content and e-books. An updated appendix on production and digital technology demystifies the process of electronic workflow and offers a primer on the use of XML markup, and a revised glossary includes a host of terms associated with electronic as well as print publishing. The Chicago system of documentation has been streamlined and adapted for a variety of online and digital sources. Figures and tables are updated throughout the book - including the return of the Manual's popular hyphenation table and new, comprehensive listings of Unicode numbers for special characters. With the wisdom of a hundred years of editorial practice and a wealth of industry expertise from both Chicago's staff and an advisory board of publishing professionals, "The Chicago Manual of Style", sixteenth edition, is an invaluable resource in this rapidly changing world. If you work with words - no matter what the delivery medium - this is the one reference you simply must have. What's new in the sixteenth edition? It includes: expanded coverage of electronic publications, including procedures for proofreading Web-based and other electronic documents; electronic editing checklist for...
