Positive and Negative Stress Knowledge Overload Psychosocial Stress Tips to Deal with Psychosocial Stress Odious Comparisons Subconscious Pressurization Children and Aptitude Conclusion Author Bio Publisher Introduction Since time immemorial, our parents have been our first friends, philosophers, guides, and caretakers. They have been our support and they have been the first medium to give us knowledge and encouragement. This book is all about the role of parents in shaping your destiny, especially when they play the part of your advisor, teacher and guide. On the other hand, this encouragement can become quite claustrophobic and pushing, especially when the parents are overly ambitious. A parent with a laissez-faire attitude who does not bother to discipline our guide his or her child is at one end of the scale. Along with him is the parent who in calculates negativism in his kids. On the other end of the scale is that one track minded parent who is living his life wholly through his children, and whose...
