Cornerstone, United Kingdom, 2013. CD-Audio. Book Condition: New. Abridged edition. 142 x 124 mm. Language: English . Brand New. This is the bestselling Raising Steam audiobook. To the consternation of the patrician, Lord Vetinari, a new invention has arrived in Ankh-Morpork - a great clanging monster of a machine that harnesses the power of all of the elements: earth, air, fire and water. This being Ankh-Morpork, it s soon drawing astonished crowds, some of whom caught the zeitgeist early and arrive armed with notepads and very sensible rainwear. Moist von Lipwig is not a man who enjoys hard work - as master of the Post Office, the Mint and the Royal Bank his input is, of course, vital .but largely dependent on words, which are fortunately not very heavy and don t always need greasing. However, he does enjoy being alive, which makes a new job offer from Vetinari hard to refuse.Steam is rising over Discworld, driven by Mister Simnel, the man wi t flat cap and sliding rule who has an interesting arrangement with the sine and cosine. Moist will have to grapple with gallons of grease, goblins, a fat controller with a history of throwing employees down the stairs and some very angry dwarfs if he s going to stop it all going off the rails.Tony Robinson narrates this wonderful new Terry Pratchett audiobook.
