Being able to grow your own food and not have to rely on the store is a great goal to have, but it can also be a daunting one to face. Chickens are a great first step in this process, they are easy to care for, hardy animals that give you an egg a day. which really adds up if you have a few chickens. So you have everything that you need for your chickens, but where do you put them? If you have looked online, then you know that there are a lot of different options when it comes to chicken coops, ranging from elaborate to something really simple, and everything in between. This book is going to show you how to make 10 different chicken coops, all of which are effective and inexpensive. You will be amazed at how easy it is to make a chicken coop out...
