Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Popcorn has probably been around longer than any other snack food on the planet. It has a rich history, dating back to before civilization and taking part in a multitude of events we celebrate every year. It s the most popular snack food around the world, and the second most popular snack in America (falling just behind potato chips). Popcorn can be found all over the country, at movie theaters, carnivals, and most people s kitchens or pantries. It is a common misconception that popcorn is an unhealthy snack. As long as you can generate heat and have some kernels on hand, you can make popcorn! Enough of the history, what about the recipes? I ve gathered 30 of the finest popcorn recipes from around the world for your snacking pleasure, and have tried to keep them free...
