

Good Morning Uncle Sam

By Department of Physiology Faculty of Health and Life Sciences
Andrew Miles

Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Misapplied and poorly managed entitlement programs have destroyed our cities and rendered affordable housing unsafe. For peace of mind and to escape the crime and decay caused by these programs many have fled to more expensive neighborhoods or into the suburbs where they assume rents or mortgages that strain the limits of their budgets. Such is the plight of the American Middle. We are hardworking, self-reliant and prepared to stand our ground on our own two feet! We are not part of the extreme political left or right. We are simply straight up Americans, the backbone of this nation and the majority of the voting population. We still fly the flag and we know to cross our hearts when the National Anthem is played. We do not have time to ponder international affairs or other matters that don't affect our daily lives. It's all that we can do to keep up with the domestic problems that are constantly created by those in Washington D.C. The current tax system is a mess; it should not take the use...
