

Finding Your Way to Languages: Six Methods of Language Learning

By Erik Zidowecki

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.So you want to learn another language? Great! You've chosen the one you want, and are ready to jump in with the learning? Fantastic! Now the REAL question: What is the best way to learn a language? Since each person learns in a different way, there is no method that works the best for everyone. This book is designed for those that don't yet know what their way is. It examines six common methods of studying a language: Audio, Books, Classes, Software, Internet and Immersion. Material includes basic overviews, pros and cons, examples and anecdotes. This book won't teach you any secrets, any overnight paths to fluency. What it will give you is a solid understanding of what the strengths and weaknesses are of each approach, allowing you, the reader, to find your own way to languages.

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
