## Career Counseling and Planning (Second Revised & Enlarged Edition)

By Sushil Kumar Srivastava

Atlantic Publishers & Distributors (P) Ltd., 2011. Softcover. Book Condition: New. 2nd edition. Career counseling, planning and guiding is a very important and contemporary topic. Many books, articles and studies dealing with related issues are available from qualified and well-experienced persons. There are several career counseling institutes, firms and professionals which/who enroll, train, test and prepare students for different career options. As career planning and development is an ongoing aspect at different phases/periods of one's life, many available books and literature deal more with the career development of the working individuals and are concerned less with the beginners. This book does not intend to go for high sounding and glaring names, jargons and descriptions. Instead, it concentrates on practicalities with reference to Indian scenario, mainly from a beginner's viewpoint. The subject matter of the book has been divided into ten illuminating chapters. Chapters 1 to 4 deal with theoretical aspects of career counseling, career skills, etc. Chapters 5 to 7 give sufficient practical illustrations and sample questions and guidelines, mainly on résumé, interview and career change. Chapters 8 to 10 briefly explain the education system and facilities in India, give various career paths and routes for various options/ opportunities at...

### Reviews

*Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*
