Reviews

This is actually the greatest publication i have go through right up until now. I really could comprehended every little thing using this composed e book. I realized this book from my i and dad advised this ebook to learn.

(Jimmie Schmidt I)

SONGS OF A RAINBOW NATION: SA/MEN ACCOMPANIED

Faber Music Ltd, United Kingdom, 2004. Paperback. Book Condition: New. 259 x 180 mm. Language: English . Brand New Book. Singing (umculo) is a huge part of the culture and every day life of many African peoples, none more so that in South Africa. Hamba Lulu is a wedding song with a gentle, comforting rhythm. Jesu Ukukhanya has a call-and-response structure where a simple solo line is followed by a choral answer. A joyful exuberant song with an infectious rhythm, Si Njay, Njay, Njay can also be performed a cappella with some optional percussion for greater effect. Weeping is a South African pop song from the band Bright Blue and uses as its chorus the refrain from the Zulu anthem N kosi Sikeleli Africa (God Bless Africa). If you are looking for straightforward and rewarding repertoire for your beginner choir, then you need look no further than Choral Basics the perfect series for singers of all ages. The simple 3-part choral arrangements for soprano, alto and a combined part for men s voices make the series perfect for choirs with a dearth of males or whose male singers have unstable or changing voices. The rich array of repertoire is bound to be a hit with younger singers and the technical abilities of choirs at this level have been taken into consideration. Straightforward and idiomatic piano accompaniments have been included and are designed to support the vocal lines, without putting pressure on piano players with less developed keyboard skills.
