Vertigo, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: " Punk Rock Jesus is amazing. The series has been incredible right from the beginning and it ends in a spectacular fashion. It's brilliant and heartbreaking, epic and emotional. This is book that makes you think. If you haven't been reading Punk Rock Jesus , you owe it yourself to pick up the collected addition when it releases this spring. Don't miss one of the best series of 2012."-IGN "Like the satirist and critical works of writers such as Jonathan Swift, John Locke, and Thomas Paine, Murphy has turned the written word upon its reader and exposed the ugly truths within ourselves, the country we live in, and the culture we have built around us. All of this, and an engrossing story with deep and authentic characters to boot."- New Jersey Journal "Every once in a while, a comic will come out that really defines everything that is amazing about the medium: A comic that is thought provoking and emotion inducing. A comic that speaks to people in so many different ways that each person has their own take and experience with it. Punk Rock Jesus is that book. It's truly a book that crosses a line that few are willing to cross."-reviewSTL.com "Sean's work is flawless. Punk Rock Jesus is the best kind of scifi-a meditation on liberty for the cyber-age."- Pop Matters "Sean Murphy's Punk Rock Jesus belongs in the same league as Watchmen , it's a complete game changer."- Craveonline " Punk Rock Jesus just feels like a classic in the making, and I urge you to get in on the ground floor while you still can. I predict Punk Rock Jesus will change the life of Sean Murphy and shoot...
