Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

(Rene Olson)

STANLEY, FLAT AGAIN!

Turtleback Books. Hardback. Book Condition: new. BRAND NEW, Stanley, Flat Again!, Jeff Brown, Scott Nash, Heroes come in all shapes and sizesAny Doctor will agree that people are not flat. They are born round and stay that way their whole lives. But not Stanley Lambchop! He has been flat once before, after a bulletin board fell on him. When his brother made him round again by blowing him up with a hose, Stanley thought he was through with flatness forever.And then one ordinary morning, Stanley suddenly goes flat again, and this time, the hose won't work. Not even Dr. Dan's explanation can really help Stanley understand why so many unusual things keep happening to him. Still, there are things that a flat boy can do that around person can't. And maybe this time, all it will take is one amazing event for everything to finally make sense.
