Reviews

*This book may be worth purchasing. I am quite late in start reading this one, but better then never.
Once you begin to read the book, it is extremely difficult to leave it before concluding.

ESCAPE TO NOWHERE

Konark Publication, New Delhi, 2012. Soft cover. Book Condition: New. 334pp. A whistleblower nervously drops in to share his suspicion about a senior colleagues involvement in espionage with Jeevnathan, head of the security division of the Agency, Indias External Intelligence Service. An inquiry is promptly launched and Ravi, the suspect is placed under an elaborate regime of surveillance. The investigation subsequently throws up a huge amount of evidence, showing the suspect stealing sensitive data. As panic sets in, investigators acrimoniously debate whether to allow the suspect to walk free or physically force him to own up his crime. For Jeevnathan, the problem also is how to keep the tiring watchers going and persuade an edgy Chief to stay on course. As the story enters 96th Day, paradoxical consequences follow. Loosely inspired by a true incident that took place in 2004 when a senior intelligence officer suspected of being a spy for decades vanished, the story also treats us to a rare insight into the state of security awareness of employees in the Agency, constrains in conducting aggressive operations, pitfalls in liaison relationship, competing interests of intelligence services, hazards in co-ordination of intelligence inputs and the Kashmir imbroglio.
